ADDITIONAL INFORMATION

Note: All fees indicated are strictly estimates. We cannot & will not guarantee exact fees as the majority of fees are paid to outside agencies such as clinics, doctors, insurance, & other service providers. This information is for planning and estimation purposes only.

Note: Travel fees are constantly changing due to holidays, flight scheduling, & hotel occupancy rates. Please remember that we look for the lowest refundable rates available during the required dates.

*Changes are likely to occur in the Egg Donor's travel schedule due to changes in retrieval / clinic scheduling, so purchase of refundable tickets is required & often incur higher fares than non-refundable tickets.
