

## *Flat-Fee Egg Donation Package*

Las Vegas Egg Donation was created as an affordable avenue for couples & individuals to make their dream of a family a reality. We understand the difficulties Intended Parents are already experiencing on their journey to having a child via Assisted Reproduction, & LVED wants to make the journey as seamless & stress-free as possible - which is why we created an inclusive, transparent pricing structure & flat-fee package just for you.

### **Our Flat-Fee Pricing Package Includes the Following:**

Egg Donor Matching  
Coordination of all Egg Donor Travel (if applicable)  
Coordination of all Legal Services (legal costs not included)  
Coordination with IVF Clinic for the entirety of the Egg Donation Cycle  
(IVF costs not included)  
Psychological Evaluation of your initial Egg Donor (\$500 value)\*  
Egg Donor Criminal History Inquiry  
Expense Account Management  
Includes AMH result\* for your initial selection if a first-time egg donor\*\*

**\$5,500**

**10% discount for active military, first responders & school teachers**  
**Any subsequent egg donation cycle with LVED will be at a 50% discount on agency fee**

NOTE: Please see attached fee sheet as this does not reflect all costs associated with your Egg Donation cycle. This only reflects our LVED professional fee and those third party fees that are listed above.

Restrictions Apply -

\*Since psychological fees can vary, this must be paid directly by LVED, and the cost of the Psychological Evaluation of your Egg Donor is capped at \$500. Any amount additional will be the responsibility of the Intended Parents.

\*\*\*AMH testing cost is for your initial donor selection only.
